

Patient Coat Policy

At Lam Dental Care, we strive to provide a safe, secure, and comfortable environment for all our patients. To ensure the safety of your personal belongings and maintain a smooth operation of our surgery, we kindly request the following:

- 1. Keep Your Coats With You**

Patients are advised to keep their coats with them at all times during their visit.

- 2. Use of Coat Hooks**

For your convenience, coat hooks are available in the dentists' surgery. However, please note that the practice cannot take responsibility for any loss or damage to personal items left on these hooks.

- 3. Safety Considerations**

Keeping your coat with you minimizes the risk of misplaced or forgotten items and ensures that the clinical areas remain clear and uncluttered for everyone's safety.

We appreciate your understanding and cooperation in adhering to this policy. If you have any questions or require assistance, our team is happy to help.

Thank you for choosing Lam Dental Care.
